

 AI-Powered Profile Builder

Build Structured Profiles of Famous People

Enter a name and context, and our AI agent will gather public information from Wikipedia to generate a comprehensive, structured profile report.

 No API Key Required

 PDF Report Export

 Saved Locally

Person's Name *

 e.g. Satya Nadella, Elon Musk, Marie Curie

Context * (helps find the right person)

 e.g. CEO of Microsoft, physicist, tennis player

 Context improves search accuracy (e.g., "CEO of Microsoft" helps distinguish from others with the same name)

 Generate Profile

Press **Enter** or **Ctrl+Enter** to generate
